Comrades and Merco. The Workers and Threadmaster[™]. Together insuring the new Capitalism doesn't leak all over the bathroom floor.

Now that the People's Republic and the US are trading partners, and the US can take advantage of the free flow of state capital, our under-priced labor and cheap natural resources, we are proud to be the off-shore source of choice for worker-made Merco Threadmaster[™] threadseal tape. Let the *imported* Threadmaster[™] show the way to better profits for Plumbing Supply houses everywhere!

Buy Merco Brand Threadmaster[™]! (Don't make us increase the size of the Gang of Four by including you!) Now proudly made in both the USA *and* the People's Republic of China!
